In Minnesota, private signs **cannot** be placed on highway right of way. It's state law. This includes political signs, garage sale signs, and other advertising. Also… Update your address before Nov. 3rd (election day) if you did not receive your primary election mail ballot.

Ghent residents are allowed to use the Minneota tree burn site and compost site.
(Signage states Minneota residents only.)
As you do fall trimming, bring your tree branches and trimmings to the new burn site on County Road 3 (indicated in red on the map). We will continue to accept *compost only,* at the old burn site (indicated in blue on the map). This includes leaves and plants.
