GENERAL PROVISIONS

§ 112.01 ADOPTION OF STATE LAW BY REFERENCE.

The provisions of M.S. Ch. 340A, as they may be amended from time to time, with reference to the definition of terms, conditions of operation, restrictions on consumption, provisions relating to sales, hours of sale, and all other matters pertaining to the retail sale, distribution, and consumption of intoxicating liquor and 3.2 percent malt liquor are hereby adopted by reference and are made a part of this Chapter as if set out in full. It is the intention of the City Council that all future amendments to M.S. Ch. 340A are hereby adopted by reference or referenced as if they had been in existence at the time this Chapter is adopted.

§ 112.02 CITY MAY BE MORE RESTRICTIVE THAN STATE LAW.

The Council is authorized by the provisions of M.S. § 340A.509, as it may be amended from time to time, to impose, and has imposed in this chapter, additional restrictions on the sale and possession of alcoholic beverages within its limits beyond those contained in M.S. Ch. 340A, as it may be amended from time to time.

§ 112.03 DEFINITIONS.

In addition to the definitions contained in M.S. § 340A.101, as it may be amended from time to time, the following terms are defined for purposes of this chapter:

LIQUOR. As used in this chapter, without modification by the words “intoxicating” or “3.2 percent malt,” includes both intoxicating liquor and 3.2 percent malt liquor.

RESTAURANT. An eating facility, other than a hotel, under the control of a single proprietor or manager, where meals are regularly prepared on the premises, where full waitress/waiter table service is provided, where a customer orders food from printed menus and where the main food course is served and consumed while seated at a single location. To be a “restaurant” as defined by this section, an establishment shall have a license from the state as required by M.S. § 157.16, as it may be amended from time to time, and meet the definition of either a “small establishment,” “medium establishment” or “large establishment” as defined in M.S. § 157.16, Subd. 3d, as it may be amended from time to time. An establishment which serves prepackaged food that receives heat treatment and is served in the package or frozen pizza that is heated and served, shall not be considered to be a restaurant for purposes of this chapter unless it meets the definitions of “small establishment”, “medium establishment” or “large establishment.”

§ 112.04 NUDITY ON THE PREMISES OF LICENSED ESTABLISHMENTS PROHIBITED.

(A) The City Council finds that it is in the best interests of the public health, safety, and general welfare of the people of the city that nudity is prohibited as provided in this section on the premises of any establishment licensed under this chapter. This is to protect and assist the owners, operators, and

Liquor Regulations

employees of the establishment, as well as patrons and the public in general, from harm stemming from the physical immediacy and combination of alcohol, nudity, and sex. The Council especially intends to prevent any subliminal endorsement of sexual harassment or activities likely to lead to the possibility of various criminal conduct, including prostitution, sexual assault, and disorderly conduct. The Council also finds that the prohibition of nudity on the premises of any establishment licensed under this chapter, as set forth in this section, reflects the prevailing community standards of the city.

(B) It is unlawful for any licensee to permit or allow any person or persons on the licensed premises when the person does not have his or her buttocks, anus, breasts, and genitals covered with a non-transparent material. It is unlawful for any person to be on the licensed premises when the person does not have his or her buttocks, anus, breasts, and genitals covered with a non-transparent material.

(C) A violation of this section is a misdemeanor punishable as provided by law, and is justification for revocation or suspension of any liquor, wine, or 3.2 percent malt liquor license or the imposition of a civil penalty under the provisions of § 112.99(B).

Penalty, see § 112.99

§ 112.05 CONSUMPTION IN PUBLIC PLACES.

No person shall be intoxicated in a public park, on any public street, sidewalk, parking lot or alley, or in any public place other than on the premises of an establishment licensed under this chapter, in a municipal liquor dispensary if one exists in the city, or where the consumption and display of liquor is lawfully permitted.

Penalty, see § 112.99

LICENSING

§ 112.20 NUMBER OF LICENSES WHICH MAY BE ISSUED.

State law establishes the number of liquor licenses that a city may issue. However, the number of licenses which may be granted under this chapter is limited to the number of license which were issued as of the effective date of this chapter, even if a larger number of licenses are authorized by law or election. The Council in its sound discretion may provide by ordinance that a larger number of licenses may be issued up to the number of licenses authorized by M.S. Ch. 340A, as it may be amended from time to time. If a larger number of licenses in a particular category has been authorized by a referendum held under the provisions of M.S. § 340A.413, Subd. 3, as it may be amended from time to time, but not all of them have been issued, the larger number of licenses is no longer in effect until the Council by ordinance determines that any or all of the licenses may be issued. Non-payment of the penalty is grounds for suspension or revocation of the license. The following is the minimum schedule of presumptive civil penalties which must be imposed in addition to any suspension unless the license is revoked:

- (1) For the first violation within any three-year period, \$500.
- (2) For the second violation within any three-year period, \$1,000.

(C) *Notice.* Prior to revoking or suspending any license issued under this chapter, the city shall provide the license holder with written notice of the alleged violations and inform the licensee of his or her right to a hearing on the alleged violation. Notice shall be delivered in person or by mail to the permanent residential address listed on the license application, or if no residential address is listed, to the business address provided on the license application.

(D) *Public hearing.* Upon receiving the notice provided in division (C) of this section, the licensee shall have the right to request a public hearing. - 115.02 Definitions
- 115.03 License

§ 115.01 PURPOSE AND INTENT.

Because the city recognizes that many persons under the age of 18 years purchase or otherwise obtain, possess and use tobacco, tobacco products, and tobacco related devices, and the sales, possession, and use are violations of both state and federal laws; and because studies, which the city hereby accepts and adopts, have shown that most smokers begin smoking before they have reached the age of 18 years and that those persons who reach the age of 18 years without having started smoking are significantly less likely to begin smoking; and because smoking has been shown to be the cause of several serious health problems which subsequently place a financial burden on all levels of government; this chapter shall be intended to regulate the sale, possession and use of tobacco, tobacco products, and tobacco related devices for the purpose of enforcing and furthering existing laws, to protect minors against the serious effects associated with the illegal use of tobacco, tobacco products, and tobacco related devices, and to further the official public policy of the state in regard to preventing young people from starting to smoke as stated in M.S. § 144.391, as it may be amended from time to time.

§ 118.20 PURPOSE AND FINDINGS.

The purpose of this chapter is to protect the health, safety and welfare of the citizens of this city by regulating the time, place and manner of conduct of special events and by establishing permit requirements for conducting special events as such are herein defined. The City Council finds that special events often exceed the city's capacity to provide usual city services. These city services include, but are not limited to sanitary, fire, police and utility services. The City Council also finds these regulations necessary to ensure that such events are conducted with sufficient consideration given to public safety issues, including, among other things, the impact of these events on parking and vehicular traffic within the city.

§ 118.21 DEFINITIONS.

For the purpose of this chapter, the following definitions shall apply unless the context clearly indicates or requires a different meaning.

§ 118.22 PERMIT REQUIRED.

This application period shall not begin to run until a complete application has been filed with the city. Application forms shall be made available in the office of the City Administrator. A fee, in the amount specified in the Ordinance Establishing Fees and Charges, shall be paid to the city along with the completed application form. In addition to the fee, the applicant shall pay all additional costs incurred by the city as a direct result of the special event. § 119.01 FINDINGS AND PURPOSE.

Studies conducted by the Minnesota Attorney General, specifically, the Report of the Attorney General's Working Group on the Regulations of Sexually Oriented Businesses dated June 6, 1989, a copy of which is adopted by reference and included in Appendix II, and the Texas City Attorneys' Association, as well as the cities of St. Paul, Alexandria, and Rochester, Minnesota; Indianapolis, Indiana; Phoenix, Arizona; Los Angeles, California; Seattle, Washington; St. Croix County, Wisconsin; Adams County and the City of Denver, Colorado, have examined the impact that adult establishments have on their respective communities. These studies concluded that adult establishments have an adverse impact on surrounding neighborhoods. Those impacts include increased crime rates, lower property values, increased transiency, neighborhood blight and potential health risks. The City Council of the City of Ghent is relying on the studies, many of which were conducted in larger cities, recognizing that the same or similar adverse impacts could occur in a small city such as the City of Ghent. Based on these studies, the City Council makes the following findings regarding the need to regulate adult establishments:

(A) The public health, safety, morals and general welfare will be promoted by the city adopting regulations governing adult establishments.

(B) Adult establishments have adverse secondary impacts of the types set forth above.

(C) The adverse impacts caused by adult establishments tend to diminish if adult establishments are governed by location requirements, licensing requirements and health requirements.

(D) It is not the intent to prohibit adult establishments from having a reasonable opportunity to locate in the city.

(E) Many members of the public perceive areas within which adult establishments are located as less safe than other areas that do not have such uses.

Ghent Basic Code - Business Regulations

(F) A reasonable licensing procedure is an appropriate mechanism to place the burden of reasonable regulation on the owners and the operators of the adult establishment. A licensing procedure will place an incentive on the operators to see that the adult establishment is run in a manner consistent with the health, safety and welfare of its patrons and employees, as well as the citizens of the City. It is appropriate to require reasonable assurances that the licensee is the actual operator of the sexually-oriented business, fully in possession and control of the premises and activities occurring therein.

(G) The fact that an applicant for an adult use license has been convicted of a sexually-related crime leads to the rational assumption that the applicant may engage in that conduct in contravention of this Chapter.

(H) The barring of individuals with sexually-related criminal convictions from the management of adult establishments for a period of years serves as a deterrent to and prevents conduct which may lead to the transmission of sexually-transmitted diseases.

(I) The general health, safety, and welfare of the community is promoted by prohibiting nudity in adult establishments. This prohibition is based on concerns of potential adverse effects such as prostitution, the transmission of sexually-transmitted diseases, exposure to minors, obscenity and unsanitary conditions in public places.

(J) Small cities experience many of the same adverse impacts of adult establishments present in larger communities.
